Docket No. 07-_____

SECTION 63.71 APPLICATION

RCN Telecom Services of Illinois, LLC ("RCN"), through its undersigned counsel and pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, hereby files this application to discontinue the provision of local exchange and domestic and international long distance to customers receiving service via the UNE loop platform at nine (9) buildings in the City of Chicago, Illinois. In support of this Application, RCN submits the following information:

I. Description of Discontinuance

1. Name and address of carrier

RCN Telecom Services of Illinois, LLC
2640 W. Bradley Place
Chicago, IL 60618

2. Date of planned service discontinuance

The anticipated date for the proposed discontinuance of service is October 8, 2007, or as soon thereafter as the necessary state and federal approval can be obtained.

3. Points of geographic areas of service affected

The proposed discontinuance of service will affect service provided at nine (9) buildings in the City of Chicago, Illinois. The nine buildings are located at the addresses listed in Exhibit A.

4. Brief description of the type of service affected

RCN proposes to discontinue the provision of local exchange and domestic and international long distance to customers receiving service via the UNE loop platform at nine buildings in the City of Chicago, Illinois.

5. Brief description of the dates and methods of notice to all affected customers

Written notice to all affected customers was mailed on August 6, 2007. Attached as Exhibit B are copies of the customer notice letters.

6. Non-dominance of the carrier with respect to the service to be discontinued

RCN is non-dominant with respect to the service that it proposes to discontinue.

7. Service

In accordance with Section 63.71 of the Commission's rules, RCN has mailed a copy of this application to the Illinois Governor, the Illinois Commerce Commission and the Special Assistant for Telecommunications for the Secretary of Defense.

8. Additional questions regarding this application may be addressed to the undersigned or:

Kristen M. Smoot
Director Regulatory Affairs
RCN Telecom Services of Illinois, LLC
2640 W. Bradley Place
Chicago, IL 60618
Tel: (312) 955-2322

II. Circumstances of Discontinuance

RCN has determined to revise its business plan and to discontinue the provision of service via the UNE loop platform in Chicago, Illinois. RCN's discontinuance of services to

customers, while regrettable, is necessary and appropriate, and will not adversely affect the public convenience and necessity. The public will not be unduly harmed by RCN's discontinuance of the telecommunications service described above because customers have been given notice that affords them an ample opportunity to migrate to RCN's digital service, where available, or transfer to a new carrier. The basic local telephone services that are being discontinued are readily available from other carriers, and RCN has provided substantially more than the minimum 30-day notice required by the Commission for discontinuance of domestic services.

III. Conclusion

RCN believes that the proposed discontinuance is reasonable and necessary. As outlined herein, RCN will take all reasonable steps, to the extent it is able, to assure that the discontinuance of service is not unduly disruptive to the present or future public convenience and necessity. Accordingly, RCN respectfully requests that the Commission permit it to discontinue the provision of services to customers in the City of Chicago, Illinois pursuant to Section 63.71.

Respectfully submitted,

Jean L. Kiddoo, Esq.

August 6, 2007

Dear RCN Customer,

As a valued customer, we want to inform you of a necessary change to your telephone service. There have been many advances in the delivery of telephone service over the last several years. RCN has taken advantage of our superior network to bring digital phone service to our customers.

We have been providing digital phone for over two years and have had great success in providing quality and reliable service to all of our phone customers. Since we have had such great success we will now migrate our remaining Chicago area customers whose service is provided on our legacy phone system to our improved digital phone platform.

As of October 8, 2007, RCN will no longer be able to continue providing your local and long distance phone service since it is on the old system. We would like to keep serving your phone needs by migrating your service to the new platform.

Please take this opportunity to call 800.RING.RCN and upgrade today. RCN's digital phone offers you state of the art technology, superior sound quality and you can keep your current phone number. Plus, it works with fax machines and home security systems.

We have new pricing packages that you may be able to take advantage of. Also, to thank you for the chance to continue providing phone service to you, upon the successful installation of your digital phone service, we will credit your account \$50.

If you choose not to upgrade to RCN's digital phone service, you will need to immediately contact a new service provider to have your service changed by October 8th. Absent a switch to our digital service, your phone service will be disconnected on October 8th.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission released public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, D.C. 20554, and include in your comments a reference to the Section 63.71 Application of RCN Telecom Services of Illinois, LLC. Sincerely,

RCN Telecom Services of Illinois, LLC
